Table Linen

We offer table linen with exceptional appeal. The table napkins are available in standard sizes 16" X 16", 18" X 18" and 20" X 20". Also the sizes can be customized as per the customer's requirements. Table Covers offered comprise quality finished table cloths that can be made available in different widths and thicknesses. Providing for best combination between high quality and reasonable prices, these covers can be made available in different design options to choose from.

We offer these table napkins and table covers made with either polyester, polycotton or cotton. The table linens have the following features:

- Excellent Color retention & water absorbency
- Minimal Shrinkage
- Water absorbent

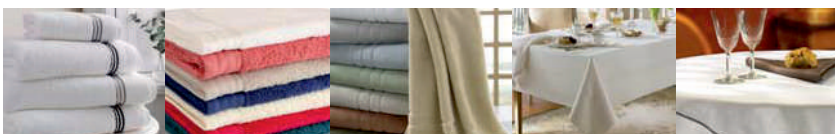

Towels

Our towels are one of our best selling product. It's their longer, stronger loops, which give them good absorbency and softness. They also have various sizes meeting demands of customers of all ages. Feathery-soft 100% high-quality cotton.

- Longer, stronger loops for good absorbency and softness
- Fashionable design, elegant and comfortable

Color, size and gram weight can be customized according to your request.

Hospital Bedsheets & Linens

We are one of the leading manufacturer and supplier of Hospital Linen.

- Blankets**
- Towels**

Mattress Protector

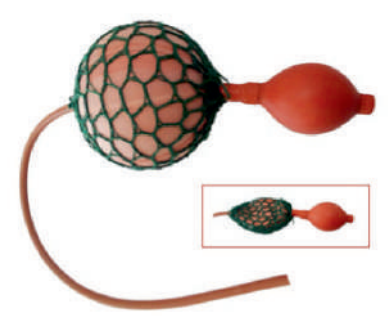

A mattress protector, also commonly known as a mattress pad, is a fabric covering placed around a mattress to guard it from fluids and allergens. We understand how important it is and we use waterproof material to make it. It is held in place by an elastic band . Using a mattress protector can prevent mattress staining and odors, and can also minimize the level of allergens in one's bed. The mattress protectors by Ara India help wick away moisture to keep your mattress underneath in tip-top condition
